

Dear Professor,

The **12th Left Main & Coronary Bifurcation Summit, CBS 2020 On-Air** will be held during October to December, 2020 in the form of weekly webinar series. CBS aims to improve patients' health with the latest fundamental researches, clinical trials, yearly published guidelines, new ideas, live demonstration and dedicated case-based discussion.

It is my great honor to invite you to participate in **CBS 2020 On-Air**. Your expertise on the advanced techniques and clinical investigation are very important to all the participants of the meeting.

**CBS 2020 On-Air** will mainly focus on the following subjects.

- Advancing front and recent progress
- Bifurcation stenting techniques
- Intravascular imaging and functional evaluation
- Complex PCI
- Pulmonary arterial denervation for pulmonary hypertension
- CTO
- Structural heart disease (TAVR, LAAO, Pacing & Innovative Treatment for Heart Failure)

We thank you for your attention and look forward to involving you in **CBS 2020 On-Air**!

Best regards

Shao-Liang Chen  
Executive Chairman, CBS Organizing Committee
