

Dear Professor,

The **13th Left Main & Coronary Bifurcation Summit, CBS2021 Global Connect**, hosted by Nanjing First Hospital, Nanjing Medical University, American Society for Cardiovascular Angiography and Interventions (SCAI), and Asian Bifurcation Club (ABC), is taking place during November to December, 2021, providing free webinars for global interventional cardiologists. Upholding the spirit of "Creativity, Breakthrough and Science", CBS is committed to the treatment of Left main and coronary bifurcation lesions, complex PCI, Pulmonary hypertension, and Structural heart disease.

It is my great honor to invite you to participate in **CBS2021 Global Connect**. Your expertise on the advanced techniques and clinical investigation is very important to all the participants of the conference.

CBS2021 Global Connect will mainly focus on the following subjects.

- Advances in left main PCI
- Bifurcation stenting techniques
- Intravascular imaging and functional evaluation
- Complex PCI
- Pulmonary arterial denervation for pulmonary hypertension
- Structural heart disease (TAVR, LAAO, Pacing & Innovative Treatment for Heart Failure)

Thank you for your attention and look forward to involving you in **CBS2021 Global Connect**!

Best regards

Shao-Liang Chen
Executive Chairman, CBS Organizing Committee
